Note from the Department of Homeland Security on Media Access: Media will be able to capture b-roll, still photography, and background information on the tour and a press conference will follow. Due to space and public health concerns, a large group will not be permitted to attend the tour. DHS asks that the Massachusetts press corps work together to identify a single local TV camera, print reporter, and still photographer to serve as a press pool to share coverage of the tour. Those contacts should be sent to the RSVP contact below. The press conference after the tour will allow for a much larger group; however, social distancing will be implemented.

RSVP: Please send an email with the name, title, outlet and day-of contact information for every reporter who seeks to cover the event to the Local CBP Office of Public Affairs at michael.s.mccarthy@cbp.dhs.gov. **All RSVPs must be received by 8PM, March 17th, 2020.**

Due to limited space, not all RSVPs guarantee a credential. Further details will be provided with credentials late Tuesday evening or first thing Wednesday morning.
