BOSTON – Out of an abundance of caution due to the spread of COVID-19 in Massachusetts, the Department of Conservation and Recreation (DCR) has announced the closure of all agency-owned ice-skating rinks statewide effective Saturday, March 14, 2020. Rinks managed by DCR will close for the remainder of the 2020 ice skating season which was previously scheduled to end March 22, 2020.

Rinks operated by third parties will close beginning Saturday, March 14, 2020 until Wednesday, April 1, 2020, at which time DCR will reassess circumstances. Additionally, during the temporary closure all associated events at these locations are cancelled.

These cancellations are consistent with the State of Emergency [declared](#) ([/news/governor-baker-declares-state-of-emergency-to-support-commonwealths-response-to-coronavirus](#)) by Governor Baker on Tuesday, March 10, and guidance that conferences, seminars and other discretionary gatherings, scheduled and hosted by Executive Branch agencies involving external parties are to be held virtually or cancelled. Additionally, today Governor Charlie Baker [issued](#) ([/news/governor-baker-issues-order-limiting-large-gatherings-in-the-commonwealth](#)) an emergency order prohibiting most gatherings of over 250 people to limit the spread of the Coronavirus.

For information about the Baker-Polito Administration's ongoing efforts to prevent and mitigate the spread of COVID-19, please visit the Department of Public Health's (DPH) [website](#) ([/resource/information-on-the-outbreak-of-coronavirus-disease-2019-covid-19](#)).
